- Strong interpersonal/social skills
- Happy, fun healthcare providers who are good at what they do!
- Good manual/exercise-based treatment methods
- Physiotherapists who work well with others in a multidisciplinary setting with other physiotherapists, massage therapists, kinesiologists and chiropractors

We offer:

- Excellent compensation packages starting at \$45 an hour
- Education and training opportunities (we will pay for Acupuncture, Concussion, Vertigo and Pelvic Health courses etc. ++)
- Mentorship opportunities for new/recent grads with a lead Physiotherapist
- Signing Bonus
- Never work weekends!
- Great company culture
- Part-time & Full-time opportunities
- Opportunity for accelerated career growth within PhysioHouse (Clinic Director, profit sharing structure or working partnership etc.)
